

Consent to Treat a Minor

By law, any child under the age of 18 years old cannot be seen by a doctor without consent from a parent or legal guardian. If the minor arrives with someone other than a parent or legal guardian, we must have written permission from the parent or legal guardian that this person has been appointed by you to act on your behalf.

You may appoint anyone who is over the age of 18 years of age to be responsible for your child when you are unable to accompany them to their medical appointment.

Please be advised that we will not be able to perform any invasive procedures unless a parent or legal guardian accompanies the minor to their appointment. If such services need to be performed, another appointment will need to be scheduled in which the parent or legal guardian must be in attendance.

It is the policy of this office that the adult presenting the child for treatment, or the child if they are seen without an adult present, is responsible for payment of the patient portion at the time of service.

I have read, understand, and give my consent as stipulated above. My signature means that I have read this form and/or have had it read to me and explained in the language that I can understand.
